

July 2019

Calling All Bulldog Fans! Are you excited for the 2019-2020 school year and the kick-off of our fall athletic season? We sure are! Our student athletes have been working hard over the summer training and getting into shape for the upcoming school year.

It's time for us as parents, business partners and community to **GET IN THE GAME** and show our support by joining the GHS Athletic Booster Club. The Booster club has adopted the theme **ONE G**, which means we are truly all on **ONE TEAM**, with **ONE GOAL** ...That is supporting, encouraging and financially assisting our student athletes and our coaches at Georgetown High School to create a successful athletic program for our youth.

ONE TEAM, ONE GOAL, ONE COMMUNITY, ONE G!

So how can you help? By joining the Booster Club, you can support some of these projects which benefit our athletic program. Your membership will help to provide funding for equipment to outfit our new weight room for all athletes, support each of our teams' needs during the school year, as well as, provide scholarships to our student athletes.

Last year, your support provided over \$11,000 in financial aid for our teams' needs, and we provided \$2,000 in scholarships to two students. Your support is vital to our student athletes and our coaches. With a strong, successful athletic program we can keep our youth engaged in physical activity and encourage positive leadership skills they will use well after their high school years.

Our business and individual membership levels are attached. If you should have any questions, please feel free to contact a booster club officer. Thank you for your support and GO BULLDOGS!

Sincerely,
