Submission Guidelines:

- Each ad template contains a number of photos; supply enough pictures to fill the photo blocks in the ad you chose. If you provide extra pictures or pictures that do not fit, the staff will use its discretion when designing the ad.
- Using a pencil, write softly on the back of the picture the photo-block number in which you want the picture to appear. *Don't use ink to write on pictures; it will smear on the front of other pictures.*
- After scanning your photos, we will enlarge or shrink your photos as necessary. We will also crop the picture to its best advantage.
- Care will be taken to return all photos; however copies of prints should be submitted for irreplaceable photos. We do not take responsibility for lost or damaged photos in the mail.
- Photos may be emailed to Mrs. Prudhomme at MPrudhomme@gcsd.k12.sc.us However, you must mail in a completed order form and payment.
- Submit your message typed (in a plain font) or legibly printed on white, clean paper. We do not edit the text but will retype as you submit.
- The yearbook staff reserves the right to alter any ad that does not meet the above guidelines. This includes but is not limited to any photograph or copy that may violate community standards, copyright or fair use laws. The content of the ad and copy must be appropriate for a school publication.
